

Pennsburg Assisted Care, LLC

Services

Most guests will not require additional services beyond what is included in the base monthly cost. Personalized Care Options are available if the guest requires care beyond the scope of the services included. This policy keeps the regular base monthly cost low while providing for the needs of those persons that require additional care. We work with other community organizations and providers to assure that all the needs of the guest are met.

All services listed below are included in the base monthly cost.

- A furnished room either private or two person semi-private including utilities.
- Three meals daily plus afternoon and evening snacks. The house menu can accommodate most prescribed diets including soft, diabetic, and low salt diets. Room service is provided for a guest with a temporarily illness.
- Medication supervision including dispensing of medication and coordinating the ordering of medication from the designated house pharmacy.
- Continuous Care Coordination between doctors, hospitals, pharmacy, and other providers to assure that the needs of the guests are met. This requires extensive record keeping.
- Personal laundry - Wash and wear, two loads per week.
- Towel and linen service.
- Maid services - weekly bedroom cleaning.
- Supervision of the tasks of daily living such as making appointments.
- Monitoring the guest appearance so they maintain a high standard of personal hygiene. This includes reminding the guest to bathe, shave, change clothing, and maintain an acceptable appearance.
- Most in house activities
- Basic supervision to maintain an orderly living situation for all guests of the home.
- Regularly scheduled transportation to shopping and local points of interest, a minimum of three times per week is provided without charge.

Personalized Care Options

If a guest requires care beyond the scope included in the base monthly cost Pennsburg Assisted Care will build a Personalized Care Options plan tailored to each individual's needs.

Special Medical Needs - Pennsburg Assisted Care will assist a guest with special medical needs provided that we are competent to provide such care. Examples of such medical needs would be diabetic and insulin management that requires frequent monitoring; wound care and bandage changing, application of skin cream, colostomy management, assistance with enemas and topical medications, and assistance with medical devices.

Availability of Visiting Medical Professionals - If a guest requires medical care beyond the scope of which is available in house, Pennsburg Assisted Care will schedule and work with a myriad of visiting medical professionals that frequent our home or upon the guest's request medical professionals of the guest's choosing.

Medical Transportation - If a guest requests or requires the services of a medical professional that is unable to visit our home, Pennsburg Assisted Care will handle the transportation to and from the destination including staff supervision during the appointment.

Personal Hygiene Packages - Pennsburg Assisted Care will assist a guest with their personal hygiene as required. A Personal Hygiene Package will be developed to meet the needs of the guest. These services may include assistance with bathing, shaving, grooming, dressing, finger and toe nail management when special medical attention is not required.

Maid Services - Pennsburg Assisted Care can provide solutions for guests who are unable to maintain a clean and orderly bedroom or are unable to manage his or her personal possessions. Pennsburg Assisted Care will assist in managing the individual's property or clean and maintain the individual's bedroom as needed.
