Pennsburg Assisted Care is a licensed Personal Care Home providing a full range of Personal Care Services and the availability of professional medical care when needed. With a maximum of **33 residents** Pennsburg Assisted Care is large enough to provide quality services but small enough to personally attend to the needs of our family of guests. **Room, food, and medication supervision are included** in the base monthly fee. The house menu can accommodate most prescribed diets including soft, diabetic, and low salt diets. Many guests do not require additional services. At **less than a 1/3 of the cost of traditional nursing care**, Pennsburg Assisted Care is surprisingly affordable. There are **no entry fees**. Combined with Social Security, Disability, and/or pension income, many guests will not have to draw down their savings to maintain a caring lifestyle. Our newly renovated **ADA Compliant building** is designed and furnished for guest comfort and convenience. It meets the latest fire and safety standards. Our dedicated family of staff members are available at all times, making Pennsburg Assisted Care **JUST LIKE HOME**.

Most people qualify depending on the level of care required upon entry. You will be evaluated based on our ability to provide quality care. Our pledge is to provide ongoing services as they become required if we can provide the level of care needed.

Bedrooms are available as a private or a two person semi-private accommodation. The rooms are fully furnished. The tastefully appointed rooms have twin sleigh beds, bedside lamps, marble-topped dresser, mirror, comfortable chairs, and a decorative bedside area carpet. Most rooms include a drop-leaf writing table.

A bedside cart doubles as a nightstand or can be used as a base for a mini-refrigerator. When used in conjunction with the eye-level cabinet above, it creates a personal food and beverage area.

The common areas feature 9' high ceilings, three living rooms, two dining rooms, a dedicated smoking room, spacious hallways with handrails, a 10'x36' deck, and sitting areas inside and out.

Pennsburg Assisted Care is located five miles west of the Quakertown Exit of the North East Extension of the Pennsylvania Turnpike, in Upper Perkiomen Valley between Allentown and Philadelphia. Pennsburg offers easy access to metropolitan South Eastern Pennsylvania while maintaining the feel of small town life.

Pennsburg Assisted Care does not discriminate with regard to race, color, religious creed, disability, ancestry, age, sex, or national origin in admissions, the provision of services, and referrals of clients.
